Directions to Luccombe Farm

(for sat navs please use the postcode DT11 0BD)

Approach Luccombe from Winterborne Whitechurch which is on the A354, using the signed Milton Abbas road (turn right at The Milton Arms pub down Chescombe Lane). Our well signed entrance cannot be missed, as it is the only one, and is exactly 1.5 miles along that road on the left hand side. The private drive is surfaced with tarmac. Just keep on going straight ahead for about ¾ mile over several sleeping policemen. You will pass the riding school on your right and then the Business Centre, the grain store and several houses and barns. Finally you will drop down into our hidden valley and recognise Mintern Barn, which is the venue for the event.
